

II International Conference  
CONTEXTS OF SOCIAL POLICY AND SOCIAL WORK  
Policy – Management – Education

## ANNOUNCEMENT NO. 1

WE INVITE YOU TO THE SECOND INTERNATIONAL CONFERENCE  
CONTEXTS OF SOCIAL POLICY AND SOCIAL WORK  
**POLICY – MANAGEMENT – EDUCATION**  
WHICH WILL TAKE PLACE FROM 10-11 JUNE 2025

Dear Sir/Madam,

We cordially invite you to participate in the international conference entitled “Contexts of Social Policy and Social Work. Policy – Management – Education”, which will take place from 10-11 June 2025 at the University of the National Education Commission in Cracow.

The aim of the conference is to exchange interdisciplinary knowledge and experience on contemporary challenges in politics, education, security and governance. In the face of dynamic socio-political, technological and economic changes, it is necessary to deepen the debate on effective strategies and solutions.

Contemporary problems, social changes, dynamics of development, globalization, crises, functioning of the individual, challenges in the field of social issues, growing inequalities, development policy, demand interdisciplinary knowledge in the field of social policy, management and education. The starting point of the scientific discourse is the development of innovative strategies, scientific discussions in the area of social services, management of organizations, institutions and human resources.

Suggested topics for speeches include:

- Contemporary crises – as a challenge for social policy, education and governance
- Social, economic and cultural determinants of education
- Social and educational changes – family, work, school
- Manager in social services
- International experience in social policy, security and education

II International Conference  
CONTEXTS OF SOCIAL POLICY AND SOCIAL WORK  
Policy - Management - Education

- Modern technologies in social policy, management, education
- Social policy and social work in relation to different areas of assistance
- The role of NGOs and the social economy in supporting communities at risk of inclusion
- Social security as a modern challenge
- Social policy at the global, regional and local levels
- Human resource management in social policy and education

We kindly encourage you to prepare speeches on the above topics or other topics related to the main stream of the conference. We believe that your participation will enrich the discussion and also contribute to the development of valuable conclusions.

The conference fee is 650,00 PLN. It includes organisational costs, conference materials, meals, accompanying events and publication costs following positive reviews, but does not include accommodation and travel costs.

We have planned to publish articles in scored journals (after obtaining a positive review). For this reason, we ask that the articles for publication be submitted before the date of the conference (the appropriate time of submission will be specified in announcement no. 2).

We hope that the discourse undertaken in the face of the above mentioned challenges will show the theoretical and practical side of joint actions and will contribute to joint debate, new approaches, find social impact and influence the professionalization of social actions. A special dimension will be the building of scientific relations in the context of social policy and social work in terms of: politics, management and education.

Yours sincerely,

*Conference Organizing Committee*
